

What city would you like to live in and Why?

Auckland.

I would like to live in Auckland because I was born and raised in Auckland. Auckland has one of the best views from the beaches and the top of the sky tower.

Sky Tower ?

The Sky Tower is one of the largest towers in New Zealand. It is about 328m tall, The Sky Tower was opened on 3 August 1997, they started building the Sky tower in 1994 so they have had about 3 to 4 years of building the sky tower.

Mission bay?

Mission bay is one of the best beaches in Auckland. It is located in the city where you can see the biggest and tallest tower in Auckland. You may see actors from movies walking or having a picnic with Friends and Family.

Weather

In Auckland the weather is Great and sometimes it can get really bad really fast and the weather in Auckland can be hot and cold but the sun is out every day and all day.
